

## SAFE ZONE

DO NOT place important texts or images beyond the green dotted area to ensure that elements would not get cut.

## TRIM LINE

Blue dotted line is the actual cut of the final design.

## BLEED

Extend the background of your artwork to the edge of this template if you want your artwork to extend to the edge of your final prints. 1/8 inch bleed on each side is our requirement.

## BORDERS

If your artwork has borders, the thickness should be at least 3/8" from the trim line in order to preserve the symmetry of your design.
